WORK EXPERIENCE

1978 Teacher of biological sciences
Istituto Tecnico di Stato "Luigi Burgo", Torino

1978-1981 Associate to chemical-clinical analysis laboratory.
Responsible for hematological and urinalysis and writing the pertinent RBM SOPs.
Performed caesarean section on rats, on rabbits, necropsies on adult and pups and all fetal examinations in teratology studies

RBM Istituto di Ricerche Biomediche "A. Marxer"
Via Ribes, 1
10010 Collettero Giacosa (TO), Italy

1982-1983 Ad interim responsible for the chemical-clinical laboratory.
Performed behavioral tests in reproductive studies.
Participated in reviewing and writing the SOPs for the teratology and reproductive studies.
Study director for teratology and reproductive studies.

RBM Istituto di Ricerche Biomediche "A. Marxer"

1984 Responsible for marmoset colony.
RBM Istituto di Ricerche Biomediche "A. Marxer"

	<p>1983-1996 Researcher - Reproductive Toxicology Unit Head. Responsible for conducting all phases of teratology and reproductive studies from the preparation of the protocol to the final report. RBM Istituto di Ricerche Biomediche "A. Marxer"</p> <p>1990 On invitation: Lecture on "Reproductive Toxicology: Practical and Regulatory Aspects" University of Hangzhou - People's Republic of China</p> <p>On invitation: Lecture on "Reproductive Toxicology: Methodology and Regulatory Aspects" University of Bologna, Italy</p> <p>On invitation: Faculty member of third summer school on risk assessment I.U.T.O.X. Capri, Italy</p> <p>1996-1997 Reproductive Toxicology and Biological Quality Control Unit Head. Responsible for conducting all phases of teratology and reproductive studies from the preparation of the protocol to the final report. Responsible for conducting all phases of the biological assays and accessory tests for the quality control of the pharmaceutical products (gonadotropines). RBM Istituto di Ricerche Biomediche "A. Marxer"</p> <p>1996-1997 Taking part of the ETS Male Fertility Working Group</p> <p>1996-1997 Taking part of the Italian Nomenclature Working Group [Publication of the work done on Teratology 55: 249-292 (1997) "Terminology of Development Abnormalities in Common Laboratory Mammals (Version 1)].</p> <p>1997 Reproductive Toxicology and Biological Quality Control Unit Head. RBM Centralized Pharmacy Head.</p> <p>On invitation: Lecture on Reproductive Toxicology and more recent Guidelines University of Turin, Italy</p> <p>1998 Senior Scientist for Reproductive Toxicology On invitation: Lecture on Reproductive Toxicology Educational Course on Physiopathology of reproduction and techniques of assisted reproduction Associazione Biologi Piemonte</p>
--	--

	<p>On invitation: Lecture on Reproductive Toxicology University of Turin, Italy</p>
1999	<p>Management Team Leader for Reproductive Toxicology and Biological Q.C. Unit and Biotechnology Unit. RBM Istituto di Ricerche Biomediche "A. Marxer"</p> <p>On invitation: Lecture on Reproductive Toxicology University Diploma Course University of Turin, Italy</p>
Jan. 2003	<p>Director of Operations for Pathology, Pharmacy, Maintenance, Planning, IT, Environmental Health and Safety and Regulatory Affairs RBM Istituto di Ricerche Biomediche "A. Marxer"</p>
Apr. 2003 – Jan. 2004	<p>General Manager, acting RBM Istituto di Ricerche Biomediche "A. Marxer"</p>
Jan. 2004	<p>Director of Operations for Pathology, Pharmacy, Maintenance Planning, IT, Environmental Health and Safety, Regulatory Compliance and External Studies and Veterinary Service Responsible for animal use at RBM RBM Istituto di Ricerche Biomediche "A. Marxer"</p>
Nov. 2005-March 2009	<p>Site Management Director, Responsible for Maintenance, Warehouse and General Services, Purchasing, Information and Communication Technologies, Security, Environmental Health and Safety as per D.L. 626, Responsible for animal use at RBM as per D.L. 116, External Relations.</p> <p>Scientific activities Director, responsible for Centralized Pharmacy, External Studies and Veterinary Sciences, Planning, Outsourcing and Editing, Regulatory Compliance and Contracts RBM Istituto di Ricerche Biomediche "A. Marxer"</p>
March 2009 – present	<p>Deputy Managing Director RBM Istituto di Ricerche Biomediche "A. Marxer"</p>
June 2010	<p>On invitation: Lecture on Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 2th Edizione – 2011-2012 Università Bicocca – Milano</p>

June 2011	On invitation: Lecture on Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 3th Edizione – 2011-2012 Università Bicocca – Milano
June 2012	On invitation: Lecture on Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 4th Edizione – 2011-2012 Università Bicocca – Milano
May 2013	Site Compliance Officer and Site Security Officer Responsible for Animal Use at RBM as per D.L. 116 RBM Istituto di Ricerche Biomediche "A. Marxer"
June 2013	On invitation: Lecture and Coordinator of Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 5th Edizione– 2012-2013 Università Bicocca – Milano
May 2014	On invitation: Lecture and Coordinator of Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 6th Edizione– 2013-2014 Università Bicocca – Milano
July 1, 2014 – present	<ul style="list-style-type: none"> • GLP Test Facility Manager • Deputy Managing Director • Facility Animal Welfare Responsible as per D.L.vo 4 marzo 2014 n.26 (EU Directive 2010/63) • Site Compliance Officer and Security Officer
May 8, 2015	On invitation: I Farmaci Biotechologici: Stato dell'Arte e Prospettive Torino Esposizioni
May 22, 2015	On invitation: Lecture and Coordinator of Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 7th Edizione– 2014-2015 Università Bicocca – Milano
Oct. 13, 2015	On invitation: Tecnologie convergenti per la salute: Sfide ed opportunità per imprese e cittadini Bioindustry Park Silvano Fumero, Colletterto Giacosa
April 19, 2016	On invitation: Lecturer Biotech-Ma Project Multiplier Event: Out of the “pure” research confort zone: from specific company needs to shared multi-national solutions Molecular Biotechnology Center, Univeristy of Turin

	<p>May 20, 2016 On invitation: Lecture and Coordinator of Master in Ricerca e Sviluppo Pre-clinico e Clinico dei Farmaci Master di 2° livello, Modulo III – 8th Edizione– 2015-2016 Università Bicocca – Milano</p>
<p>EDUCATION QUALIFICATION(S) AWARDED</p>	<p>1977 Doctorate degree in Biological Sciences, University of Torino</p> <p>Member of National Order of Biologist</p>
<p>TECHNICAL AND MANAGERIAL COMPETENCIES</p>	<p>More than 30 years experience in research in the field of Preclinical Development with a particular focus in Reproductive Toxicology. Senior Scientist for Reproductive Toxicology as requested by the Italian Ministry of Health. Large managerial experience with many groups both scientific and non scientific.</p>
<p>LANGUAGE(S)</p>	<p>Italian: eg.Mother tongue English: Good French: Very good</p>

**TECHNICAL AND
MANAGERIAL
TRAINING**

- 1979 Course on Clinical Biology at Torino University
- 1983 Biological assays of FSH, LH and HCG at the Istituto Farmacologico Serono, Roma
- 1984 Course on Drug and Food Additives Toxicology, Società Italiana di Tossicologia, Milano
12th Course on Toxicology, RBM, Saint Vincent
- 1987 Second summer school on risk assessment
I.U.T.O.X, Washington - USA
- 1989 Seminar on "Management for change"
ARES SERONO GROUP TRAINING CENTER
Loranzè (TO) - Italy
- 1990 Seminar on "Differentiation of the gonads"
Société Française de Teratologie, Paris - France
- 1991 Seminar on "Intermediate Course of Management"
Ares Serono Group Training Center
Loranzè (TO) - Italy
- 1992 Course on management
RBM, Ivrea - Italy
- 1997 European School on Risk Assessment for Reproduction
Firenze - Italy
- 2001 Mini Babsoon Course, Boston – USA
- 2003 Leading successful project, Paris
- 2004 Strategic Company Communications - Studio Ambrosetti, Milano
- The Future of Research in Italy - Fondazione Cariplo, Milano
- Learning from the Leaders – Cegos, Firenze
- Six days course on D.L.626/94 – Igiene e Sicurezza sul lavoro
- Coaching, people management and goals setting - RBM – Lago d’Orta

ORIGINAL PAPER, CONGRESSES and LECTURES	1980	9th International Symposia on Clinical Enzymology, Verona
	1982	1st National Meeting on Experimental Teratology, Milano University
	1984	3rd National Meeting on Primatology, Torino University
		12th Conference of European Teratology Society, Holland
		2nd National Meeting on Experimental Teratology, Milano University
	1985	26th Congress of European Toxicology Society, Finland
		International Symposium-Workshop "Pharmacokinetics in Teratogenesis", West Berlin
		13th Conference of European Teratology Society, East Germany
		Meeting on "Dosimetria ed effetti biologici dei campi elettromagnetici a radiofrequenze", Ivrea
	1986	Ivrea (I) RBM Meetings 1 Receptors in Pharmacology
		Round Table: "La relazione dell'esperto nella procedura multi-stato", Milano
		Meeting on "Valutazione del rischio tossicologico: sperimentazione in "vivo" e possibili alternative", Milano University
	27th Congress of European Society of Toxicology, United Kingdom	
	14th Conference of European Teratology Society, Denmark	

VII National Congress of the Italian Toxicological Society, Bari
Ivrea (I)

RBM meetings 2
Topics in Reproductive Toxicology

1987 Risk Assessment on Drug Development
Charlottesville – Virginia, USA

Meeting of the Société Française de Teratologie - Paris

Conference on "Responsability of Management and of Quality Assurance under GLP's" - Milano

Meeting of the "Société Française de Teratologie on Behavioral Teratology" - Orléans

15th Conference of European Teratology Society,
Fribourg
Switzerland

Ivrea (I)
RBM Meetings 3
Toxicity testing: Hepatic alterations

1st. GISAL - Meeting "La professionalità degli operatori nell'animal care "SSFA - Milano"

1988 Italy-USA International Symposium on "Perinatal Biology" - Istituto Superiore di Sanità - Roma

Utilization des techniques in vitro en Teratologie-
Société Nationale de Teratologie Française - Paris

16th Conference of European Teratology Society
Secretary for Local Organizing and Scientific
Committee
Baveno - Italy

Milano (I)
RBM Meetings 4
Trends in Drug Development

1989 Réunion annuelle de la Société Nationale de
Teratologie
Paris - France

Practical in vitro Toxicology.
Second international Conference
Nottingham – England

17th Conference of European Teratology Society
Budapest (Hungary)

5th RBM Meeting
Safety tests for the Notification of new chemicals: EEC
Directive 79/831

1990 18th Conference of European Teratology Society
Edinburgh (UK)

1991 19th Conference of European Teratology Society
Antwerpen (Belgium)

1992 20th Conference of European Teratology Society
Wurzberg (Germany)

1993 Sperimentazione animale: etica e criteri di conduzione.
Santa Margherita Ligure (Italy)

21st Conference of European Teratology Society
Lyon - France

RBM Meeting: Toxicokinetics: The Approach, Design
and Objectives
Milano - Italy

Giornate studio - Gruppo Scientifico Italiano Studi e
Ricerche: Studi Preclinici, nuovi orientamenti
scientifici e Regolatori
Milano – Italy

1994 22nd Conference of the European Teratology Society
Prague - Czech Republic

IV Symposium on vertebrate Whole Embryo Culture –
Milano (Chairman and member of the Local
Organizing Committee)

1995 23rd Conference of the European Teratology Society
Dublin (Ireland)

II Congresso Nazionale di Cell-Tox, Ivrea (Italy)

1996 Giornata di Studio - Il processo di armonizzazione delle
normative
dopo ICH3 organized by SSFA, Milan (Italy)

24th Conference of the European Teratology Society,
Rome (Italy)
Member of the Local Organizing Committee

1997 25th Conference of European Teratology Society
Cannes (France)

Convegno: “Dare una prospettiva all’economia italiana:
Impresa, Finanza”
Palazzo Isimbardi-Provincia, Milano – 7 giugno

La Sicurezza sul lavoro dopo la legge 98/2013 tra
semplificazioni e adempimenti sostanziali
Tutte le novità sul DUVRI, DVR, POS, PSC, fascicolo
dell’opera. Comunicazioni e notifiche
Ivrea – 7 ottobre

La Gestione del dato elettronico e dei sistemi informatici in
ambito regolato
Bioindustry Park Silvano Fumero
Colleretto Giacosa – 10 ottobre

Imprenditoria femminile – Conciliazione fra vita lavorativa e
vita familiare – Nuove opportunità dal 2014
Bioindustry Park Silvano Fumero
Colleretto Giacosa – 13 novembre

Scienza e Industria – Ricerca e innovazione in biomedicina
Università Bocconi
Milano – 27 novembre

Donne: insuperabili! Come non subire le scelte, ma farle
Confindustria Alessandria
Alessandria – 28 novembre

2014 XII Congresso Nazionale SSFA – I 50 anni di SSFA e la
Ricerca in Italia
Roma, 31 marzo/1 aprile

XXIII Congresso Nazionale GIQAR (GxP)
Gestione del cambiamento nelle GxP: Incontro tra industria ed
autorità regolatorie
Ospedaletto di Pescantina (VR), 18, 19, 20 Giugno

Giornata di Studio
Operational Excellence: esperienze a confronto
Milano, 10 ottobre

I metodi alternativi e lo xenotrapianto nella ricerca biomedica:
luci ed ombre del DLgs 26/2014
Università degli Studi di Torino – Grugliasco, 23-24-25 ottobre

Tavola Rotonda su: “BPL – Nuova Scheda Riassuntiva delle
caratteristiche del Centro di Saggio ai fini della certificazione di
conformità secondo quanto stabilito dal D.L. 50 del 02/03/2007”
19 novembre

	<p>2015</p> <p>Avv. Licia Mattioli – Presidente dell’Unione Industriale di Torino “Etica e Industria” Aula magna di Palazzo dell’Arsenale, Torino, 22 gennaio</p> <p>Incontro “La Scienza come opportunità di crescita” Bioindustry Park, Colletterto Giacosa, 28 gennaio</p> <p>I Farmaci Biotecnologici: Stato dell’Arte e Prospettive Torino Esposizioni, Torino, 8 maggio</p> <p>XXIV Congresso Nazionale GIQAR Hotel Royal Continental, Napoli, 27-29 maggio</p> <p>Convegno – Competitività e Innovazione: il ruolo dell’industria biomedicale in Italia Centro Congressi della Regione Piemonte, Torino, 19 giugno</p>

PAPERS AND POSTERS

R. Bussi

"Procedure Operative Standard: allestimento e applicazioni", lecture presented at the Società di Scienze Farmacologiche Applicate (GLP Group), 1984

Lamberti L., Ardito G., Bigatti P., Stanyon R., **Bussi R.**

"Satellite associations e fenomeno del chimerismo in Callithrix Jacchus", 3rd National Meeting on Primatology, Torino, 1984

R. Bussi, S. Tofani, S. Ferrini, G. Agnesod, P. Ossola

"Effetti sulla gravidanza in ratti esposti a bassi livelli di campi elettromagnetici a 27.12 MHz". Published on Rivista di Tossicologia Sperimentale e Clinica, Vol. XIV, Fasc. 1-2, 1985

S. Ferrini, **R. Bussi**, G.P. Berruto

"The effects on morphological and neurological development of offspring of dams exposed continuously to very low frequencies" Abstract: Poster showed at the 26th Congress of European Toxicology Society, Finland, 1985

R. Bussi, S. Ferrini, G. Salvi

"Effects of Maltitol (Malbit) in a teratogenesis study in New Zealand White rabbits"

Poster showed at the 13th Conference of European Teratology Society, East Germany, 1985

R. Bussi, S. Fracchia, G. Oberto

"Studio Preliminare degli effetti dell'esposizione prenatale di Medrossiprogesterone Acetato (MPA) nel marmoset"

Abstract: Poster showed at the VII National Congress of the Italian Toxicology Society, Bari, 1986

R. Bussi, S. Fracchia

"Relevance of historical data in the interpretation of teratogenicity results"

Lecture presented at the RBM meetings 2: "Topics in Reproductive Toxicology", Ivrea, 1986 published in 1987 by Istituto di Ricerche Biomediche "A. Marxer" RBM, C.P. 226, 10015 Ivrea (Torino)

S. Fracchia, **R. Bussi**

"Management of fetus observation data by personal computer"

Poster showed at the 15th Conference of European Teratology Society, Switzerland, 1987

Abstract published in Teratology, 36, 1, 1987

S. Fracchia, E. Giavini, C. Volpi and **R. Bussi**

"A score as a method in skeletal developmental evaluation"

Poster showed at the 16th Conference of European Teratology Society, Baveno - Italy

Abstract published in Teratology, 38, 2, 1988

G. Peretti, **R. Bussi** and G. Berruto
An information system for reproductive toxicology studies
Poster showed at the 18th Conference of European Teratology Society, Edinburgh (UK)
Abstract published in Teratology, 42, 2, 1990

R. Bussi, V. Bianchi, E. Giavini, R. Kreiling, G. Malinverno
“Rabbit teratology study on E-Phthaloyl imido caproic acid (PAC)
“
Poster showed at the 20th Conference of European Teratology Society, Wurzburg (Germany)
Abstract published in Teratology, Vol. 46 n.3, Sept. 1992

R. Bussi
Tossicità della riproduzione: Innovatività della "Guideline" Tripartita (CEE, USA, Giappone)
Oral presentation at: Giornate di studio - Gruppo Scientifico Italiano Studi e Ricerche: Studi Preclinici, Nuovi Orientamenti Scientifici e Regolatori
Milan - Italy - Published on the Abstracts of the meeting - 1993

R. Bussi, L. Comotto, P. Marinelli, E. Stradella
“Computer - Assisted Sperm Analysis (CASA) of rodent epididymal after short exposure to Di (2-ethylhexyl) Phthalate (DEPH)”.
Poster showed at the 23rd Conference of European Teratology Society, ETS, Dublin, September 4-7, 1995
Abstract published in Teratology Vol. 51, No. 6, June 1995

R. Bussi
Tossicità della riproduzione: Novità dopo ICH 3
Oral presentation at Giornata di Studio: “Il processo di armonizzazione delle Normative dopo ICH 3”, organized by SSFA, Milan - on “Reproductive Toxicology: updating of the Harmonized Tripartite Guideline”, April 1996

R. Bussi, G. Chierico, N. Drouot, V. Garuy, S. Hubbard, G. Malinverno, W. Mayr
“Rat Embryo-fetal Development Study on Sodium Perborate Tetrahydrate”.
Poster showed at the 24th Conference of European Teratology Society, ETS, Rome, September 2-5, 1996

R. Bussi, C. Ciampolillo, L. Comotto
“Incidence of spontaneous fetal alterations in Crl: CD-1 (ICR) BR mouse”
Poster showed at the 24th Conference of the European Teratology Society ETS, Rome
September 2-5, 1996.

R. Bussi, L. Comotto, P. Dossetto

“Computer-Assisted semen analysis of rodent epididymal sperm motility and count using the Hamilton - Thorne version IVOS10 analyzer: applied methods.

Poster showed at the 24th Conference of the European Teratology Society. ETS. Rome

September 2-5, 1996

D. Newall, **R.Bussi**, G. Copping, D. Creasy, J. Edwards, S. Khalil, D. Lewis. T. Palmer, S. Plassmann, J. Tesh, Ulbrich, J. Williams, ETS Male Fertility Working.

“A critical Re-Appraisal of the Application of ICH Guidelines to Male Fertility Testing”

Poster presented at the 25th Conference of the European Teratology Society - ETS, Cannes, September 1997.

R. Bussi, M.T. Draghetti, J. Hunter and M.M. Parkinson

“Changes of the levels of thyroid hormones during pregnancy in CD-1 mice”

Poster presented at the 26th Conference of the European Teratology Society – ETS, Stockholm, September 1998

L. Comotto, P. Dossetto, **R. Bussi**

“Validation of CASA system for the analysis of sperm motility and count in the rabbit”

Poster presented at the 27th Conference of the European Teratology Society. ETS, Oxford, September 1999

R. Bussi, L. Comotto

“Incidence of spontaneous fetal alterations in CrI: CD (SD) BR rats, CrI: CD-1 (ICR) BR mice and New Zealand White rabbits”

Poster presented at the 28th Conference of the European Teratology Society –ETS

Ferrara, September 2000
